Wingstop

It's no wonder we have sold so many wings after wins at the Buffalo Wing Festival three years in a row. Wingstop has taken chicken wings to a whole new level by saucing and tossing them in a choice of nine flavors.

Wingstop is not fast food; our wings are made with care and served up piping hot. Every order is made fresh when you order it; nothing sits under a heat lamp. In addition to

hot fresh wings our sides are homemade. Fresh cut seasoned fries are cut daily in every restaurant from Idaho Potatoes. If you haven't tried any of our sides you are missing out!

Wingstop is proud to have sauced and tossed our first billion wings and we look forward to serving up a billion more.
