

The Queens Chamber of Commerce presents:

## 401(k) Made Easy:

Presenting our Multiple Employer Aggregation Program (MEAP)

Our mission at the Chamber is to help our members succeed by providing valuable services and programming. To that end, we are excited to announce a powerful new retirement planning solution that is available exclusively for members of the Queens Chamber of Commerce.

We've partnered with **Lincoln Financial**, a nationally recognized leader in retirement planning services, to offer a Multiple Employer Aggregator Program (MEAP). This unique program leverages the strengths of the Queens Chamber of Commerce group participation to provide a significantly enhanced 401(k) plan in a cost-effective way.

Whether you have an existing 401(k) or are interested in starting one, we encourage you to consider the Queens Chamber of Commerce MEAP.
