Queens
Chamber of Commerce

Dear Queens Chamber Members, Sponsors and Guests:

Our mission and vision rings as loud, proud and true now as it did in 1911: "With over a century of leadership, the Queens Chamber of Commerce fosters economic growth and prosperity in the most diverse community in the United States by promoting the interests of business through advocacy, networking and education"

Over the past year, we connected our members to each other and to New York City, New York State and Federal resources, and the business community at large. This was accomplished by further engaging Queens NYC Council Members and our elected officials in Albany and Washington, DC. We have expanded our relationships in the MWBE sector and fully support NYC and NYS efforts in this area.

Today, we have ten member committees including Real Estate, Transportation, Healthcare & Wellness, Tech, Energy & Environmental, Restaurant & Hospitality, Not for Profit, and Manufacturing. As the home to numerous colleges and universities, with over 70,000 students, the Queens Chamber believes we are the fulcrum to harness the power of the academic world and the business environment here in Queens County.

Today's Business Expo is highlighted by our Breakfast Kickoff, entitled, "Planes, Trains & Automobiles: A Queens perspective" includes Seth Pinsky, RXR and the expected redevelopment of JetBlue at JFK, plus Lysa Scully, General Manager, Port Authority NY/NJ at LaGuardia Airport. We will also be joined by our newest resident, Andy Byford, MTA President and Mark Schienberg, President, Greater NY Auto Dealers Association (GNADA).

Further, we have three vibrant panels & two presentations featuring:

Energy & Sustainability:

Moderator: Marshall Haimson, E-Capital Insurance Services
 Con Edison: Terry McGee, Section Manager, Demonstration Projects
 Sun Nation Solar Systems: Mike Bailis, Co-founder and Chief Sales Officer
 Energy Tax Savers: Dan Audette, Senior Energy Engineer
 East Coast Energy: Ted Rodormer, Director of Commodity Sales & Sustainability
 National Grid Ventures: Benjamin Pickard, Principal Analyst, US Distributed Energy

Real Estate:

Moderator: Lisa Gahn, AmTrust Title
 Plaxall: Paula Kirby, Managing Director
 TF Cornerstone: Jake Elghanayan, Senior Vice President
 Seagis Property LP: Omer Mir Ahmed
 Kimco Realty Corporation: Brett Cooper, Vice President, Asset Management

Restaurant Hospitality:

Moderator: Mickey King, Owner of Antun's
 MCR Development: Erik Palmer, Managing Director of the TWA Hotel
 Hotel Association of New York City: Vijay Dandapani, President & CEO
 Mark Boccia, Restaurant Owner & Operator
 Pan Gregorian Enterprises of Metro New York: Demetrios Kafchitsas, CEO
 Plus Google on "Getting Found on the Web" and TD Bank on "Business Financing Road Map" at Noon as part of our 5 Chamber Funding Alliance.

We also have business partner and affiliate agreements in place throughout the Borough. We have established relationships with the leaders and the major organizations and BIDs in Queens. We believe in the power of unity and working together for the common good.

The Queens Chamber of Commerce is especially proud of our working relationship with the Long Island City Partnership, the Greater Jamaica Development Corp and the Queens Economic Development Corp. Further, we are supporting the efforts of the Greater Flushing Chamber of Commerce, the JFK Chamber of Commerce and the Korean American Chamber of Commerce; all in Queens and all having varied interests and agendas. We recently have begun outreach to the Rockaway Development & Revitalization Corporation and the Rockaway Business Alliance (RBA); among others to better position ourselves to be in support of their work and mission.

With a host of new events being held at a number of new venues, we will continue our outreach throughout Queens.

As the most ethnically diverse place on earth, the Queens Chamber of Commerce will continue to strive, unify, connect and live by the words, "E pluribus unum", the traditional motto of these United States of America.

If you are a Member of the Queens Chamber of Commerce; thank you for your support. If you have not yet decided, please call me for a personal introduction to our Staff, our services and all that we have to offer!

THE PORT AUTHORITY OF NY & NJ

Proudly Supports the
Queens Community

As we invest billions to redevelop and rebuild John F. Kennedy International and LaGuardia airports—two of our borough's most vibrant and vital economic engines—we're ensuring that the people of Queens benefit from our stewardship. That means plentiful jobs, a strong local economy, and backyard access to more direct flights aboard more airlines to more destinations than anywhere else in the world.

The Port Authority of New York and New Jersey builds, operates, and maintains many of the most important transportation and trade infrastructure assets in the country. Our network of aviation, ground, rail and seaport facilities is among the busiest in the country. It supports more than 550,000 regional jobs and generates more than \$23 billion in annual wages and \$80 billion in annual economic activity.
